User Profile Registration Guide

Welcome to the lynda.com Online Training Library®, a comprehensive collection of video tutorials and online courses on a variety of software and design topics. Using this guide, you will be able to create your user profile in just **2 of 3 quick steps**.

1. **Navigate to the following URL to create a lyndaCampus user profile.**

<http://iplogin.lynda.com> (You must be on the RISD campus to initially create your profile.)

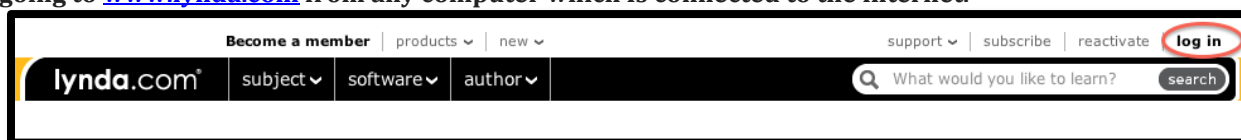

After your profile is created, you can login and use lynda.com anywhere you have an internet connection.

2. **For NEW lynda.com USERS, create your user name and password by clicking the “create a profile” button** (Passwords require 6 characters +1 number) (*your user name must be your RISD email address)
3. **If you already have a lynda.com account, log in directly at <http://iplogin.lynda.com> using your existing user name and password to create a RISD lyndaCampus user profile.** (This will reinstate any previous training history)

Notes:

- You must be on the RISD campus in order to create your profile. Once created you can access lynda.com from anywhere you have an internet connection.
- For **NEW USERS**, user names **must be your RISD email address**.

Once registration is complete, you will automatically be logged in to your user profile. You can login thereafter by going to www.lynda.com from any computer which is connected to the internet.

You can learn it!
